ADMINISTRATION

GLEN TAYLOR

OWNER

On March 23, 1995, Glen Taylor closed the deal that made him majority owner of the Minnesota Timberwo ves. He added the title of NBA owner to a list that already included international businessman, state senator, entrepreneur, philanthropist and executive of the year.

Before he even completed his first full year as owner, Taylor set in motion his plan for making a mark on the Minnesota sports scene. Prior to the completion of the sale of the team from Marv Wolfenson and Harvey Ratner, Taylor installed Rob Moor and Roger Griffith as the team's president and chief financial officer, respectively, and promoted Minnesota and NBA basketball legend Kevin McHale to assistant general manager. With the move of McHale to vice president of basketball operations and Rob Babcock to vice president of player personnel and the addition of head coach Phil "Flip' Saunders and director of scouting and player development (and now assistant coach) Jerry Sichting, Taylor has assembled a basketball staff with years of experience in the pro ranks.

Taylor, 62, is Chairman of the Board of Taylor Corporation, located in Mankato, Minn., 75 miles southwest of the Twin Cities. The Taylor Companies, which are involved in the printing, marketing and electronics industries, include more than 70 operating divisions in 19 states, three Canadian provinces, the United Kingdom, Australia and Mexico. Their employees number more than 14,000, including more than 5,000 Minnesotans.

Taylor built his company from modest beginnings. While a student at Mankato State University in 1959, he took a part-time job at Carlson Wedding Service. Fifteen years later, in 1974, he acquired a majority interest in the company, laying the foundation for what would soon grow into Taylor Corporation. Taylor Corporation is the nation's largest printer of wedding invitations, controlling more than half the market. Many of the companies' products are sold through independent vendors such as gift and stationery stores.

Taylor's business savvy has been recognized by Corporate Report magazine, which honored him as its Executive of the Year (1987), and the Sales and Marketing Executives of Minneapolis/St. Paul, who awarded him with their Sales Executive of the Year Award (1999).

Taylor was elected to the Minnesota Senate in 1980, where he served until 1990. He became assistant Senate minority leader in 1982. From 1984 to 1986, he served as Senate minority leader. While in the Senate, Taylor was instrumental in providing leadership in the areas of higher education, child care and economic development policies.

Through personal involvement, Taylor has remained active in many civic and charitable causes. In Mankato, he has served as YMCA President, Chamber of Commerce Director, Mankato Jaycees President and United Way Campaign Chairman. He has also has served on his church's board of deacons and board of trustees and on the Mankato State University Foundation board of directors. On the state level, Taylor has served as the director of the Minnesota Business partnership, director of the Greater Minnesota Corporation and president of the International Thermographers Association.

Nationally, Taylor has provided expert testimony on business and child care issues to the U.S. Senate and House of Representatives and served as a committee chair on the 1991 Commission on Reform and Efficiency (CORE).

In 1997, Mankato State University awarded Taylor his first honorary doctorate. Taylor received the degree of Honorary Doctor of Laws for his distinguished professional career and volunteer service. In October 2001, Taylor was inducted into the Minnesota State University, Mankato, Hall of Distinction.

Taylor was born April 20, 1941, and raised on a farm 60 miles west of his current home in Mankato. He graduated from Comfrey (Minn.) High School in 1959. In just three years, he earned his bachelor's degree in mathematics, physics and social science from Mankato State University. He later continued his education at the Harvard Graduate School of Business.

Taylor lives in Mankato. His children, Terri, Jean, Taylor Moor, Jeff and Kenney, and grandchildren, Andrea, Melissa, Grayson, Emma and Abby, and great-granddaughter, Piper Rose, enjoy attending many of the Timberwolves games.

KEVIN McHALE

VICE PRESIDENT OF BASKETBALL OPERATIONS/ GENERAL MANAGER

"This is our time to make a run. Right now!" Kevin McHale, Timberwolves Vice President of Basketball Operations/General Manager, made that statement after engineering a flurry of transactions this past summer that had the NBA community buzzing about the new-look Wolves. McHale's constant desire to improve the Timberwolves and his single-minded focus to win mirrors the attitude he exhibited during his Hall of Fame career with the Boston Celtics. Wolves fans can be assured that McHale will do his best to build a championship team in his home state of Minnesota.

One of McHale's most heralded moves came shortly after he was named to his current post on May 11, 1995: he selected high-school phenom Kevin Garnett with the fifth overall pick in the 1995 NBA Draft. Considered a bold move at the time, McHale and his staff were rewarded with an outstanding rookie campaign from Garnett. Garnett's improvement and McHale's continual reshaping of the Wolves' roster have resulted in seven consecutive years of playoff basketball in Minnesota.

McHale has had a history of success in the game of basketball. In high school, he led Hibbing to the Minnesota Class AA State Basketball Tournament title game. In college, he posted a career average of 15.2 points and 8.5 rebounds per game in four seasons at the University of Minnesota, earning first-team All-Big Ten honors in 1979 and 1980. And in the pro ranks, he joined the Boston Celtics for three NBA championships, the first coming in his rookie season with the team.

McHale continued that tradition of quick success with the Timberwolves, moving from special assistant in 1993-94 to assistant general manager in 1994-95 to his latest endeavor as vice president of basketball operations/general manager. In that role, McHale is responsible for the franchise's entire basketball operations department – overseeing player personnel decisions, scouting and the coaching staff.

In McHale's first season with the Wolves, 1993-94, he served as a special assistant to the coaching staff.

That position utilized the experience of his lengthy basketball career, which culminated in the retiring of his pro, college and high-school game jerseys. In August 1994, he was promoted to a newly created position of assistant general manager.

For two seasons, 1993-95, fans enjoyed the insight and wit he brought to his broadcast analysis on the Timberwolves Television Network. His unique style and perspective, combined with the talents of Kevin Harlan, Chad Hartman and Tom Hanneman, made for one of the top local broadcasts in the NBA. With the demands of his vice-president position, McHale relinquished his broadcasting duties with the Wolves.

Prior to coming to the Timberwolves organization, McHale played 13 seasons as a power forward for the Celtics before retiring in the spring of 1993. A first-round selection (third overall) by Boston in the 1980 NBA Draft, McHale helped lead the Celtics to three NBA championships (1981, 1984 and 1986), five Eastern Conference titles and eight Atlantic Division crowns. He was voted the NBA's top sixth man twice (1984, 1985) and was selected to the All-NBA First Team in 1987. He was also named to the NBA All-Defensive First Team three times (1986, 1987 and 1988). The 6-10 forward/center averaged 17.9 points and 7.3 rebounds in 971 career regular-season games. He shot 55.4 percent from the floor and 79.8 percent at the free throw line. In 169 postseason contests, McHale increased his averages to 18.8 points and 7.4 rebounds.

On Oct. 1, 1999, Kevin McHale was recognized for his achievements with the Celtics by being inducted into the Basketball Hall of Fame in Springfield, Mass. In the typical McHale style, he gave credit to his teammates for helping him to get there. But no one goes into the Hall of Fame without a lot of hard work and personal accomplishment.

In addition to being named to the Basketball Hall of Fame, McHale has received other honors for his basketball prowess. On July 8, 2000, he was inducted into the National High School Sports Hall of Fame. On Feb. 18, 1995, he was honored as the top player in U of M men's basketball history, as the school celebrated its 100th anniversary in the sport. During the 1997 All-Star Game in Cleveland, he was honored as one of the NBA's Top 50 Players for the league's first half-century.

A native of Hibbing, Minn., McHale was born Dec. 19, 1957. He and his wife, Lynn, along with their five children, Kristyn, Michael, Joseph, Alexandra and Thomas, reside in North Oaks, Minn.

FLIP SAUNDERS

HEAD COACH

Numbers don't tell the whole story about the job Flip Saunders has done during his tenure as head coach of the Minnesota Timberwolves – even though the numbers have been quite good. Saunders has led the Timberwolves to the playoffs during each of his full seven seasons at the Wolves' helm. On an annual basis, he seems to get more out of his team than many expect. This past season was no exception. Saunders and the Wolves exceeded expectations by completing the 2002-03 regular season with the fourth-best record in the NBA at 51-31, marking a franchise high for wins in a season. Additionally, the team posted a franchise-record 33 home wins, including a 17-game home winning streak while gaining homecourt advantage in the NBA Playoffs for the first time ever.

He was named Western Conference Coach of the Month for February – the third time he's earned that honor (January 2000 and 2001) – guiding Minnesota to a 12-1 mark. At season's end, Saunders was among the top vote-getters for NBA Coach of the Year honors.

Saunders also led the Wolves to 50-win seasons in 2001-02 and 1999-2000. The Wolves recorded a franchise-record 11-game winning streak in 2000-01, which was also a league best that season. During the 1998-99 season, Saunders held together a club that lost two key players and numerous others to injury to record a 25-25 mark.

In 1997-98, Saunders coached the Wolves to their first-ever winning season (45-37). He also led the team to its first-ever postseason victory as the Timberwolves beat the Seattle SuperSonics twice before falling in the final game of the best-of-five playoff series. In his first full season as the team's head coach, 1996-97, Saunders became the all-time winningest coach in franchise history, leading the team to a 40-42 record and its first playoff appearance.

After seven seasons as a coach in the Continental Basketball Association (CBA), Saunders was named general manager of the Timberwolves on May 11, 1995. But his stay in a front-office-only capacity was to be short-lived. On Dec. 18, 1995, he added the title of head coach to his resume, replacing Bill Blair.

Saunders guided the Timberwolves to a 20-42 (.323) mark in 62 games during the 1995-96 season. He has a 328-276 (.543) record in 604 games at the Timberwolves' helm. In his seven full seasons as head coach, he has a 308-234 (.568) mark. Saunders' 328 career coaching wins rank 37th on the NBA's all-time win list and ninth among active coaches.

Saunders' record of basketball coaching success has a history of its own. He ranks third all-time in the CBA with 253 victories. He began his CBA career in 1988-89 with the Rapid City (S.D.) Thrillers, then moved on to the La Crosse (Wis.) Catbirds for five seasons (1989-94) before coaching the 1994-95 campaign with the Sioux Falls (S.D.) Skyforce. He also served as general manager (1991-93) and team president (1991-94) of the Catbirds.

Saunders' impressive coaching resume includes seven consecutive seasons of 30 or more victories, two CBA championships (1990, 1992), two CBA Coach of the Year honors (1989, 1992) and 23 CBA-to-NBA player promotions.

In September 2001, he led the United States men's basketball team to a perfect 5-0 record and a gold medal at the Goodwill Games in Brisbane, Australia.

Saunders began his successful coaching career at Golden Valley Lutheran College, where he compiled a 92-13 record, including a perfect 56-0 mark at home, in four seasons. In 1981, he joined the coaching staff at his alma mater – the University of Minnesota – as an assistant and helped coach the Golden Gophers to the 1982 Big 10 championship. After five seasons at Minnesota, he moved to an assistant coach position at the University of Tulsa where he worked for two seasons before heading to the pro ranks.

Saunders was an All-America basketball player at Cuyahoga Heights High School in Cleveland. In his senior season, 1973, he was named Ohio's Class A High School Basketball Player of the Year after averaging a state-high 32.0 points per game. He continued his basketball career at Minnesota, where he started 101 of his 103 career contests. As a senior, he teamed with Kevin McHale, now the Timberwolves' vice president of basketball operations/general manager, to lead the Gophers to an all-time school-best 24-3 record.

Saunders was born Feb. 23, 1955, in Cleveland, Ohio. Flip and his wife, Debbie, have four children: Ryan, Mindy and twins, Rachel and Kimberly.

ROB BABCOCK

VICE PRESIDENT OF PLAYER PERSONNEL

Rob Babcock enters his 12th season with the Timberwolves and second season as the team's vice president of player personnel. He was promoted to that position after spending the previous eight years as the team's director of player personnel and two years as a full-time scout with the organization.

Babcock spent five seasons as the Denver Nuggets' director of scouting before joining the Timberwolves for the 1992-93 season. He has also held part-time scouting positions with the Detroit Pistons, Cleveland Cavaliers, San Diego Clippers and Indiana Pacers. Prior to working for the Nuggets, Babcock was the head basketball coach at Phoenix (Ariz.) College, where his teams advanced to the ACCAC playoffs twice and were the regional runners-up in 1986.

A native of Phoenix, Babcock earned high-school All-America basketball honors in his senior season. He attended Grand Canyon College in Phoenix and helped his team to a second-place finish in the 1974 NAIA final national rankings. Following his graduation from Grand Canyon, Babcock began his coaching career in Mexico City at The American School Foundation. From Mexico City, he returned to Phoenix, where he coached at Greenway and Maryvale high schools. In 1982, he earned Southwest Valley Coach of the Year honors.

Rob's brother Pete is a former longtime NBA general manager, and his brother Dave is director of scouting for the Milwaukee Bucks. Rob and his wife, Laura, have two sons, Nathan and Christopher.

Sichting began with the Wolves on May 11, 1995, when he was named director of scouting and player development. On Dec. 18, 1995, he added assistant coach to his title. Known throughout his NBA playing career as a hard-nosed, tenacious competitor, Sichting brings those same qualities of dedication with him to his front-office and coaching positions.

Sichting acquired an in-depth knowledge of the pro game from his 10 seasons as a player in the NBA. He began his career in 1980 and spent the following five seasons with the Indiana Pacers, averaging a career-high 11.5 points per game during the 1983-84 season. In 1985, Sichting signed with the Boston Celtics and became an integral reserve. In 1986, he teamed with Kevin McHale, now Timberwolves vice president of basketball operations/general manager, to lead the Celtics to an NBA title. That season he averaged 6.5 points while shooting 57.0 percent from the floor and 92.4 percent at the free throw line.

Midway through the 1987-88 campaign, he was traded to the Portland Trail Blazers. He finished his playing career in 1989-90 as a member of the Charlotte Hornets and Milwaukee Bucks. Sichting appeared in 598 career regular-season games, recording an average of 6.9 points and 3.3 assists per game.

After his playing career ended, he remained in Boston and ran the Jerry Sichting Basketball Camp for five years. He also spent four seasons (1991-95) serving as the analyst on Celtics' radio broadcasts.

In March 2002, Sichting was inducted into the Indiana Basketball Hall of Fame. A 1979 graduate of Purdue University, he was captain of the 1978-79 Boilermakers squad that captured the Big 10 championship.

SIDNEY LOWE

ASSISTANT COACH

Sidney Lowe returns to the Timberwolves coaching staff after spending two-plus seasons as head coach of the Vancouver/Memphis Grizzlies. In his two full seasons with the Grizzlies, Lowe led the team to back-to-back franchise-best records, compiling 23-59 marks during the 2000-01 and 2001-02 seasons. His total of 46 wins ranks him as the winningest coach in franchise history.

Lowe was a member of the Timberwolves' inaugural team during the 1989-90 NBA season, averaging 2.3 points and 4.2 assists in 80 games. After a season as the Timberwolves' television analyst, Lowe began his NBA coaching career with Minnesota as an assistant in 1991-92. He took over Minnesota's head coaching duties midway through the 1992-93 season, compiling a 13-30 record to finish out that season and a 20-62 record in 1993-94. Minnesota started the month by posting wins over Philadelphia and Houston before sending Kevin Garnett to the 52nd NBA All-Star Game in Atlanta. Garnett was named the game's Most Valuable Player, after scoring 37 points with nine rebounds and five steals in the West's 155-145 double-OT victory. The Wolves returned to post wins over Dallas, Cleveland, New Orleans and Golden State. Minnesota's lone loss in February came by way of Utah. MARCH (7-8, 46-29)

Minnesota rounded out its season-high seven-game winning streak with a win over New York, the 17th straight win at Target Center, extending its club record as well as the longest home winning streak in the NBA last season. Headed out West for a five-game road trip, the Wolves lost their first three games against Seattle, Sacramento (in overtime) and the L.A. Lakers. Minnesota ended the trip with wins in Phoenix and Dallas. The Wolves then dropped two games at home to San Antonio and the L.A. Lakers. Kevin Garnett had his fifth triple-double of the season and Wally Szczerbiak sank five second-half three-pointers to lift the Timberwolves to a 111-95 victory over the Trail Blazers. Minnesota continued on a four-game winning streak with victories over Memphis, San Antonio (in overtime) and Miami. A Florida swing saw the Wolves lose games to Orlando and Miami, then return to Target Center to meet Dallas. The Mavericks handed the Timberwolves their third straight loss, 119-95, their largest defeat of the season.

APRIL (5-2, 51-31)

The Wolves opened up April with a win over Seattle, ending a three-game losing streak. Troy Hudson poured in a season-high 31 points as Minnesota held off the Sonics at Target Center. After losing the first of a three-game West Coast swing to Phoenix, the Wolves won in Portland. Kevin Garnett compiled his sixth triple-double of the season – 16 points, 14 rebounds and 12 assists – and Minnesota pulled away late for a 97-78 victory at the Rose Garden. The Wolves closed out their road trip with a loss in Seattle, but returned to Target Center with a victory over the L.A. Clippers. In the final regular-season home game, Wally Szczerbiak exploded for a career-high 44 points – tying Tony Campbell's 13-year-old franchise record – as the Timberwolves handed Chicago a 119-95 setback. ATTENDANCE NOTES

The Timberwolves sold out three of their 41 regular-season home games during the 2002-03 season, drawing an average of 15,700 per Target Center date. Minnesota has played to 90.1% capacity in its 13 years at the 19,006-seat Target Center, selling out 143 of a possible 516 contests.

Minnesota set an all-time NBA single-season record by drawing 1,072,572 fans (an average of 26,160) to the Metrodome in its inaugural 1989-90 campaign. The Wolves have now drawn a total of 9,911,275 fans to the Dome and Target Center in their 14-year history, leaving them just 88,725 short of the 10-million mark all time.

The largest attendance ever for a Timberwolves game was 49,551 on Apr. 17, 1990, for the club's final Metrodome appearance (vs. Denver). Minnesota drew a Target Center record crowd of 20,320 for its Jan. 21, 2002 game vs. Washington. The Timberwolves' smallest-ever home attendance was 9,954 for the Nov. 15, 1995 game vs. San Antonio.

ACTIVE LIST

The maximum number of active players is 12 except from time to time as appropriate; but for no more than two consecutive weeks at a time, a team may carry 11. At no time shall a team be permitted to dress fewer than eight players for a regular-season game or fewer than nine for a playoff game. During the offseason and training camp, teams may carry no more than 20 active players.

INJURED LIST

A player transferred to the Injured List due to injury or illness must stay there for no fewer than five games.

TEN-DAY CONTRACT

On or after the 55th day following the first game, a team may sign a player to a 10-day contract. This procedure may be used only to replace a player assigned to the Injured List. No player may be signed to more than two 10-day agreements.

TRADING DEADLINE

No trades are permitted after 2:00 p.m. Central time on Feb. 19, 2004. From that point to the end of the regular season, player additions must be made through waiver procedure, or by signing free agents.

WAIVERS

From Feb. 15, 2004 to the end of the regular season, clubs may claim waived players within 48 hours after notice. Players waived at any other time may be claimed within 10 days. If no team claims the waived player, he becomes a free agent. If more than one club claims a waived player, the club with the lesser record at that time claims the player.

GUARANTEED CONTRACT DATE

On the 56th day of the regular season, all player contracts become guaranteed for the remainder of the season.

RENUNCIATION OF AMATEUR ELIGIBILITY

A person whose high school class has graduated shall become eligible for the college draft if he renounces his intercollegiate basketball eligibility by written notice to the NBA at least 45 days prior to the draft. Prior to 45 days before the draft, teams may not make direct or indirect contact with players who have eligibility left. Clubs may contact players without remaining eligibility, but may not discuss compensation.

UNRESTRICTED FREE AGENT

A player who is free to sign with any team.

RESTRICTED FREE AGENT

A player whose current team has the right to match an offer sheet from another team and retain the player.

OPTIONS

A provision negotiated in a contract that allows that contract to be extended one year beyond the scheduled end of that contract. The negotiated option can be either a team or player option.

A total of 16 teams qualify for the NBA playoffs: the four division winners and the next six teams in each conference according to their won-lost record, regardless of division. Each round is best-of-seven games. In every series, the home-court advantage in the extra game goes to the team with the better record during the regular season, regardless of its standing in the division race. Thus, if a division winner plays a second-place team from another division that had a better record, the second-place team would get home-court advantage.

In determining the playoff matches, the eight qualifiers are ranked teams 1 through 8 (see note below). The playoff pairings for the First Round are teams 1-8, 2-7, 3-6, and 4-5 in each conference. In the conference semifinals, the winner of teams 1-8 plays the winner of teams 4-5 and the winner of teams 2-7 plays the winner of teams 3-6.

The NBA Finals will be played on a 2-3-2 basis, the team with the better regular-season record getting the home-court advantage for the first and last two games. All other series are 2-2-1-1-1.

Some portions of the playoff format were revised in June 1983. A vote by the NBA Board of Governors made the revisions effective in the 1984 playoffs. The major revisions included allowing 16 teams to qualify for the playoffs and changing the first-round best-of-three series to a best-of-five series. Last season, the first-round changed from a best-of-five series to a best-of-seven series.

NOTE: Team 1 in each conference is the division winner with the best record. Team 2 is the other division winner. Teams 3-8 are ranked according to their regular-season winning percentage.

GENERAL

Timberwolves Community Foundation

Through community service initiatives, the Minnesota Timberwolves have been positively impacting the lives of youth throughout Minnesota communities for 14 years. The Timberwolves make a difference by focusing the organization's community service on three specific areas: giving, education and basketball. The goal of the franchise's community work is to enable youth to make responsible decisions and help them to contribute to their own future.

Since 1989, the Timberwolves have been a vital contributor to the Twin Cities community as well as many communities throughout the state. Providing more than $2 million in charitable contributions and countless volunteer hours over the past 14 years, the Timberwolves have supported many new community initiatives, programs and charitable organizations.

The Timberwolves organization strives to do more than simply provide financial support for the numerous community initiatives and charitable causes it supports. The purpose of the franchise's community outreach is to create interactive relationships through game tickets, player and staff visits and incentives for at-risk youth.

giving

Signature Charity Partnership

Each year, the Timberwolves Community Foundation selects a non-profit organization to partner with in a multi-dimensional, season-long relationship, including a $50,000 grant, promotional support and staff involvement. For the 2003-04 season, **Greater Minneapolis Crisis Nursery** has been selected as the Timberwolves Foundation's signature charity partner.

Greater Minneapolis Crisis Nursery works in partnership with parents in crisis and the community to strengthen families and prevent child abuse and neglect. Located in Hennepin County, this outstanding organization is the only residential crisis nursery in Minnesota and one of only 20 in the country. Their programs are voluntary and free to Hennepin County families in crisis with newborn through age six at the risk of abuse and neglect. Offered programs include a 24-hour crisis hotline, crisis counseling, home visiting, parent education, referrals, 72-hour residential child care and medical care for children during their stay at the facility.

Past recipients of the Signature Grant are Ronald McDonald House (2002-03), Minnesota D.A.R.E. (2001-02), Washburn Child Guidance Center (2000-01), Fraser Community Services (1999-2000), and Urban Ventures (1998-99). The Foundation also provides small grants to non-profit agencies throughout Minnesota.

Taste of the Timberwolves
The primary fundraiser for the Timberwolves Foundation, this casual night of dining and interaction with Timberwolves players and coaches is a once-in-a-lifetime experience for fans. Every year, a dozen of the Twin Cities' finest restaurants donate their food and services to create an unforgettable buffet, while players and coaches take on all challengers in a variety of interactive games and other activities. The event also includes live and silent auctions. In its eight-year history, Taste of the Timberwolves has raised more than $1.5 million for the Timberwolves Foundation.

Thanksgiving Basket Giveaway
Through selected agencies, Timberwolves players, coaches and staff distribute Thanksgiving baskets for needy families and individuals.

Hospital Tour
Timberwolves players, coaches and staff visit area children's hospitals and shelters, bringing gifts, smiles and words of encouragement.

Holiday Party for Kids
Approximately 200 children from local shelters and community agencies are invited to a party sponsored by the Timberwolves. The kids enjoy balloons, chats with Santa, face painting and a hot meal. Each child receives a gift certificate good at a local toy store. Timberwolves players, coaches and staff are on hand to distribute the gift certificates and spread holiday cheer.

Tickets For Kids
The Timberwolves donate more than 15,000 tickets per season to non-profit agencies, schools and shelters. Season ticket holders also donate tickets to this program.

Heroes In The Making
At selected home games, the Timberwolves recognize "Heroes in the Making." These individuals are cited for meritorious acts within the Twin Cities area. At each of the selected games, the Timberwolves honor an individual who has committed an act beyond the scope and realm of their everyday occupational focus.

education

Read to Achieve

The National Basketball Association, Timberwolves and Outback Steakhouse have partnered to implement Read to Achieve – a year-round literacy program campaign to help young people develop a life-long love for reading and encourage adults to read regularly with children. Reaching an estimated 50 million children a year, Read to Achieve is the most extensive educational outreach initiative in the history of professional sports. Locally, the program consists of an All-Star Reading Team, Reading Time-Outs, the refurbishment and creation of reading centers, and book donations.

Last season, the Timberwolves and Outback Steakhouse launched the Read to Achieve "Starting Five" program. This incentive-based reading program is offered to all elementary students in the five-county metro area. Each student is given a set of five selected books and tracking worksheets to read and complete at home with a parent or guardian. Students who complete the set will receive various Timberwolves prizes. For more information and supplemental reading activities, please log on to **www.timberwolves.com** and click on the Community page.

N.B.A. (Never Be Absent)

The 2003-04 season marks the fourth year the Timberwolves will present N.B.A. (Never Be Absent), an incentive program targeted at middle school students. Students are rewarded for perfect monthly attendance with prizes including player appearances, pizza parties and tickets to games. All students who reach the attendance goal for the year will be invited to the Celebration held in April.

Dr. Martin Luther King Jr. Holiday Program

As a tribute to the life and legacy of Dr. Martin Luther King Jr., the Timberwolves conduct an hour-long program at Target Center coinciding with the day's game. The format includes a keynote speaker, and special musical performances by local and national acts, as well as appearances by Timberwolves players. This year's celebration will feature The Girls Choir of Harlem. Past celebrations have included The Boys Choir of Harlem, Olympic Gold Medalist Dominique Dawes, actress Nia Long, Coretta Scott King and Yolanda King.

Timberwolves/Lynx Scholarships

The Timberwolves and Lynx partner with American Family Insurance to provide five $2,000 scholarships to high school seniors who are enrolled in college programs for the fall semester. This past year, more than 600 applications were received from students throughout Minnesota, North Dakota and South Dakota. The scholarships focus on community service, academic achievement and overall character.

Lunch Learners

Morton's of Chicago and the Timberwolves have combined their efforts to create the Lunch Learners program. Lunch Learners gives middle school students the opportunity to dine in an upscale restaurant while learning fine dining etiquette from Timberwolves players and staff. The dining experience is a reward for students who have met certain goals. Hosted by Morton's of Chicago in downtown Minneapolis, the luncheons will be held several times during the 2003-04 season.

basketball

Point Guard Program

During the 2002-03, season the Timberwolves initiated the "Point Guard Program." This is an opportunity for youth basketball teams to raise funds by selling the Timberwolves game program at every home game. Proceeds from the sale of the game programs also benefit the Minnesota Timberwolves Community Foundation. The program raised more than $20,000 for youth basketball teams last season.

Summer Basketball

The Timberwolves are committed to supporting summer basketball leagues and clinics each year. For over a dozen years, the foundation has provided financial support to area basketball organizations such as "Give and Go" Basketball Leagues, Howard Pulley Basketball Program, Clyde Turner Educational Basketball Camp and "Shooting Stars" Girls Basketball Clinics.

Jr. Wolves

Now in its 11th season, the Jr. Wolves Program promotes the game of basketball to the youth of Minnesota. These programs include statewide summer camps, pregame clinics and high school games played at the Target Center. Youth teams also have the opportunity to play during halftime at Timberwolves home games. The goal is to offer the game of basketball to Minnesota kids of all ages, skill and interest levels. The program continues to expand each year to accommodate a growing interest in youth basketball. For more information on Jr. Wolves, log on to **www.jrwolves.com**.

Schwan's/Timberwolves/Lynx MVP Awards

This season, the Timberwolves, Lynx and Schwan's are initiating an award program to honor high school athletes. Schwan's and the Timberwolves will select the "Timberwolves Ten" which will honor high school seniors with a MVP award for basketball excellence. The honorees will be invited to a Timberwolves home game to be awarded a plaque on center court during halftime. They will also be given special recognition in a designated area in the new Timberwolves and Lynx store, "The Gym," opening in Target Center this fall.

NBA Community Outreach

The dedication of the NBA's teams and players to the improvement of local communities has a long history and tremendous reach. The league's implementation and execution of outreach-based programs has impacted and inspired children and families to develop a life-long love of reading. The entire NBA family has placed reading and children's education at the forefront of its community work by donating millions of dollars, extensive resources and countless volunteer hours to the promotion and sponsorship of literacy initiatives.

With the Read to Achieve program, the NBA helps to positively impact the reading tendencies of millions of kids on a year-round basis. NBA teams, current and former players and coaches partner with schools and community centers to deliver the Read to Achieve message and to provide critical resources and support to local reading and education programs.

To connect with so many people and communities, Read to Achieve partners with the nation's longest-serving literacy organization, Reading Is Fundamental (RIF), and with the world's largest children's book publisher, Scholastic Inc. Together, over 300,000 books are donated annually through school assemblies, book fairs and at various reading events. In addition, a partnership with Dell provides a necessary focus on technology literacy and has resulted in the creation of more than 60 NBA Reading & Learning Centers. Places where children have access to books, technology and supportive reading programs in an encouraging and motivating environment.

As the world's greatest athletes, NBA players are also dedicated to the community and committed to giving back in extraordinary ways. Through their foundations, camp efforts and charitable work, they make a difference for hundreds of non-profit and youth-serving organizations. To honor players' outstanding community service accomplishments off the court each month, the NBA recently enhanced its Community Assist Award by announcing that all future winners will receive the David Robinson Plaque. The new award was first presented to the San Antonio Spurs' legendary center last season to honor him for the standards he has set in supporting the community. The NBA and WNBA also present an annual Sportsmanship Award to one player at the conclusion of their respective seasons.

In addition to youth education, the NBA also supports numerous causes and organizations that positively impact communities, including but not limited to The Thurgood Marshall Scholarship Fund, UNICEF, The National Wheelchair Basketball Association, The National Civil Rights Museum, Gallaudet University, and The National Underground Railroad Freedom Center.

Timberwolves and Lynx open "The Gym" In Target Center Skyway

THE GYM On August 12, 2003, the Minnesota Timberwolves and Lynx, along with Event Merchandising Incorporated (EMI) and Clear Channel Entertainment, announced plans to construct a team store on the Target Center skyway level. "The Gym," as the store is known, is located near the skyway bridge that leads to the Block E Entertainment Complex.

The store revolves around the concept of a high school gymnasium, complete with metal equipment cages, lockers and trophy cases. Exciting images of Timberwolves and Lynx action contrast nostalgic photos of high school teams from generations past. The store plans to let Minnesota high schools compete for the opportunity to have images, trophies and awards of their old teams featured in the space.

The Gym includes fan favorites like Timberwolves and Lynx T-shirts, sweatshirts, hats, and limited collectible items. Additionally, with the expanded space, EMI is able to carry a complete line of items never before available to fans, such as specialized made-to-order jerseys, autographed memorabilia, unique collectible items, infant and youth apparel, ladies apparel, jewelry, and additional collectibles.

Scoreboard

Minnesota Timberwolves fans, partners, media and players will see noticeable changes when they arrive at Target Center for 2003-04 home games. Patrons will see a brand-new state-of-the-art scoreboard, technologically advanced LED signage, and a new parquet-style playing surface.

The centerpiece of the facelift is the center-hung scoreboard that was designed and manufactured by ANC/SACO. The scoreboard features a message center and four high-resolution video screens. The SMARTVISION® video screen will establish the Target Center as having the very latest state-of-the-art video screen technology in the entire country. In addition, as a result of the superior ANC/SACO Light Emitting Diode (LED) design, fans will be able to view the screens at virtually every angle in the arena. Every seat in the house will now have a clear view to a dynamic video screen display.
